**Background:**

In 2011, Dysart State High School went through an extensive re-branding campaign that resulted in changes in the school logo and colours. This process transferred to a number of changes within the school, including uniform. The new uniform and the Uniform Policy were endorsed by the Parents and Citizens Association and the school Leadership team in 2011, and was fully implemented in 2013.

**Guidelines:**

All items of uniform listed in this policy (excluding shoes, socks and the winter track pants) must be purchased from the school to avoid variations. Any variation from the items listed below, or any items not purchased from the school (excluding shoes and socks), must be approved by the Principal. Families who face financial hardship and are unable to purchase the uniform upfront are asked to contact the school to discuss a payment plan.

Care teachers are responsible for enforcing the Uniform Policy. Students who do not comply with the Uniform Policy will be subject to procedures for non-compliance as per the Responsible Behaviour Plan. Department of Education safety regulations dictate that in practical classes (eg. Art, Science, Information Technology & Design, Physical Education and Home Economics) ‘footwear with impervious uppers will be worn’. All footwear at Dysart State High School must comply with these guidelines.

**Dress Code and Personal Appearance:**

All students are expected to attend school dressed and groomed appropriately for the formal learning environment and according to the school uniform policy.

Students who are unable to wear full uniform are asked to provide, to their Care Teacher, an explanatory note from a parent or guardian. Students will then be given a ‘uniform pass’ for the day by their Care Teacher, which must be presented upon request. Students who do not present an explanatory note may be subject to lunch detentions.

Students who are not acceptably dressed (eg wearing tights, denim etc) will be expected to change into the correct uniform as provided by the school.

**Formal Uniform:**

The formal uniform is to be worn every Monday by all students. It can also be worn on any other day.

**Winter Uniform:**

The Winter Uniform is to be worn during the colder months. For formal occasions boys and girls are to wear black slacks, rather than the track pants.
